MEMORANDUM FOR: Director of Foreign Missile and Space Analysis Center
Director of Computer Services
Director of ELINT
Director of Research and Development
Director of Scientific Intelligence

SUBJECT : DDS&T Midcareer Course Presentation

25X1A

1. This is to confirm arrangements for the DDS&T presentation to the Midcareer Course [redacted] scheduled for Wednesday, 25 October 1967. As Mr. Duckett mentioned at the morning meeting yesterday, there will be a change in the format: He will give the overall DDS&T briefing in the morning (0945-1200), and in the afternoon each Office Director will give a 30-minute presentation covering one or two specific intelligence problems.

2. Departure from National Airport will take place at 0815 and arrangements will be made to transport addressees from the Front Entrance of the Building at 0730 (allowing for traffic). If you plan to proceed independently to or from the airport please let me know.

25X1A

3. As usual the DDS&T participants will remain [redacted] overnight and leave there approximately 0715 to arrive at Headquarters in time for the morning meeting on Thursday, 26 October.

4. The attached programs show the schedule for the Midcareer Course and include the roster of students, all of whom hold SI, T-KH clearances.
